

# Problem Statement: Time Management for College Students

## Scenario 1: Daily Dashboard

A quick overview of classes, upcoming deadlines, and prioritized tasks.

### Calendar / Schedule

### Upcoming Deadlines

### Today's Tasks

### Focus Timer / Quick Start

## Problem Statement Summary:

College students often struggle to manage time effectively between classes, studying, and personal life, leading to stress and missed deadlines.

# Problem Statement: Time Management for College Students

## Scenario 2: Focus Session

Start a focused study session with timers and break reminders; logs time spent per task.

### Calendar / Schedule

### Upcoming Deadlines

### Today's Tasks

### Focus Timer / Quick Start

## Problem Statement Summary:

College students often struggle to manage time effectively between classes, studying, and personal life, leading to stress and missed deadlines.

# Problem Statement: Time Management for College Students

## Scenario 3: Study Group Finder

Find or schedule study partners based on class and availability; coordinate shared deadlines
